

GALION CITY SCHOOLS ATHLETIC PHILOSOPHY

Athletics are a part of the extra-curricular educational process of Galion City Schools, serving as an arena for learning. We strive to have each student-athlete enjoy a positive experience while developing competitive teams. Within this framework, the participation of all student-athletes is encouraged, without compromising that competitive nature. They will learn to appreciate teamwork and how to deal with coaches, referees, opponents, peers and themselves.

Interscholastic athletics are an extension of the classroom that provide teaching and learning experiences for all involved. These experiences and lessons relate as much to life and education as they do to the outcome on a scoreboard. Our mission is to foster the quest for excellence by creating an educational and competitive experience within an atmosphere of sportsmanship. Galion Athletics' develop individual & team potential by prompting high standards of competence, character, civility, and citizenship.
