Welcome to Galion Intermediate School

As a new school year begins, we, in the Galion City School District, wish to welcome back old friends and extend a welcome to new friends. Cooperation between school and home is of the utmost importance in providing the best quality education to tomorrow's leaders. To achieve this goal, all lines of communication must be kept open, and we must all get involved. Please read this handbook and refer to it throughout the school year. From this time on the words parent, custodial parent and/or guardian will be used synonymously. We hope you will find this information helpful. In addition, the student handbook is located at www.galionschools.org.

The Student Handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year and to provide specific information about certain Board policies and procedures. Please take time to become familiar with the important information contained in this handbook and keep the handbook for reference by you and your parent. This handbook replaces all prior handbooks and other written material on the same subjects. This handbook does not equate to an irrevocable contractual commitment to the student, but only reflects the current status of the Board's policies and the school rules as of the Board of Education approval date. If any policies or administrative guidelines referenced herein are revised the language in the most current policy or administrative guideline prevails. Copies of the current board policies are available on our website at galionschools.org or at <http://www.neola.com/galion-oh/>

We believe that education should provide an environment and experience for our students that will enable them to assume their proper place in society as capable, loyal, and responsible American citizens. The educational process should allow each individual to develop a well-integrated, wholesome personality.

The learning process is empirical in nature, explorational in character, and should provide all the necessary implementation to the discovery of varying interests, aptitudes, and capabilities of boys and girls. Our school system should meet the educational needs of a changing society. By teaching according to the principles of American democracy, each individual should be permitted to choose and plan his/her own goals in readiness for the important duties of citizenship.

The educational programs and activities of the Galion City Schools are available to students without regard to race, religion, color, national origin, sex, or handicap. Discrimination complaints should be brought to the attention of the Superintendent, Galion City Schools, 470 Portland Way North, Galion, Ohio or telephone at (419) 468-3432, Ext. 11001. *(For clarification purposes, reference to parent will also include legal guardian. Immediate family will include parents, brothers, sisters, and grandparents.)*

Galion City School Purpose:

Empowering students to successfully transform our community.

Galion City School Mission Statement:

The Galion City Schools will prepare students with a rigorous education that enables them to be contributing members of our community. We provide a safe, respectful environment that cultivates leaders of tomorrow. Our guiding principle is *Believe* in yourself, *Achieve* your greatest potential, and *Succeed* in all aspects of life.

Galion City School Motto:

Believe, Achieve, Succeed.

Galion Intermediate School Mission Statement:

**Believe in the service we provide our students and community.
Achieve more than we think is possible resulting in success for all.**

BOARD of EDUCATION

All Board of Education policies are located on the district website or at <http://www.neola.com/galion-oh/>

SCHOOL/OFFICE HOURS

The office opens at least 30 minutes before the students arrive and closes 30 minutes after the students are dismissed. Exact times may vary from year to year based on student and staff needs.

ARRIVAL AND DISMISSAL

Arrival

The school doors do not open until 7:55 a.m. There is no outdoor supervision before this time so we ask your cooperation by not sending your children to school early. Please do not send students earlier than 7:55 a.m. If you need alternative childcare earlier than this, please make other arrangements or contact local child care programs. When students arrive, they will wait in between the doors and then be sent to the cafetorium or their classrooms depending on the time. Students arriving after the tardy bell rings (8:05) will need to stop at the office to get a tardy/admittance slip. Please be reminded, the school doors do not open until 9:55 a.m. on delayed start days.

Conduct To and From School

1. Obey safety rules and school patrol/crossing guards.
2. Cross only at the corners and only when directed to do so.
3. Intermediate students should be accompanied by parents in parking lots and parking areas.
4. Walk only on sidewalks or designated walk zone areas. Please stay off the grass when a sidewalk is available.
5. No horseplay or fighting.
6. No throwing or kicking of stones or snow.
7. Go straight home after school unless the parent or guardian has given written or verbal permission to the office. Students must have a written note to vary from regular plan.
8. Any bus student who has permission to walk or ride their bike home must have written permission from parent or guardian. This note will be kept in the student's file.
9. Students are not permitted to ride skateboards, scooters, inline skates, roller skates, or skate shoes to or from school.

Dismissal

Dismissal procedures for walkers, and pick-ups will be explained in detail before school starts.

Signing Out Students – Dismissal and Lunch

Students will not be dismissed to anyone other than the custodial parent or guardian without prior permission from the custodial parent or guardian and approval granted by the office. Proper identification may be requested before a child is released. It is important to keep emergency cards up-to-date.

Children that leave for lunch will need to be signed out through the office.

Visitors – Signing In and Out

During the day, all visitors to our building are required to sign in at the office. Children must be signed out to leave the building during school hours and then signed in to return. Students must have a note from the office to be admitted to class. Volunteers/Visitors will be required to wear a visitor's tag.

STUDENT ENROLLMENT, RECORDS, & WITHDRAWAL

Protection & Privacy of Student Records

The GCS maintains many student records including both directory information and confidential information. Directory information can be provided upon request to any individual, other than a for-profit organization, even without the written consent of a parent. Parents may refuse to allow the GCS Board of Education to disclose any or all "directory information" upon written notification to the GCS Board of Education. For further information about the items included within the category of directory information and instructions on how to prohibit its release you may consult the Galion City Schools' Board of Education ***Family Education Rights and Privacy Act (FERPA)*** which can be found at www.neola.com/galion/

Classroom Assignment

Class assignment is based on a number of factors including academic level, social and emotional consideration, class size, behavioral needs and special service requirements. Teacher requests will not be accepted.

Custody Papers

Under the Missing Child Act, if you are divorced or separated, we need custody papers on file at the time of enrollment. Parents are to inform the school anytime the custody of a child changes according to SB-140. School officials will need to see and copy the custody decree including the court journal entry number and signature page. Questions in regard to proper procedure will be handled through the principal's office. Copies of custody papers and/or any other court documents affecting the child may be kept at the local law enforcement agency.

Non-Custodial Parent Access to Student Records

A divorce or change in custody does not change the right of a natural parent to have access to their child's records. A non-custodial parent may request and receive a copy of the child's records including progress reports, progress book parent access, report cards and attendance records; however, step-parents, grandparents and significant others have no rights to records, reports or conferences unless the custodial parent, or court order grants these rights to them. All school communication will go directly through the custodial parent.

Residency Requirement

Galion City School requires proof of residence, which would include the following: utility bills such as cable, phone, gas or electric, a lease or purchase agreement, a notarized statement from the person the family is residing with accompanied by any of the above mentioned documents. Residency must be established before admission is complete. All changes in residency must be reported to the school office within a reasonable amount of time.

Questions concerning residency may be referred to the Crawford County Truancy Officer. Open enrollment forms may be requested in order to allow the student to remain at the present school through the remainder of the current school year.

Homeless students

Students who meet the Federal definition of homeless may enroll and will be under the District Liaison Homeless Children with regard to enrollment procedures. Homeless students will be provided with a free and appropriate public education in the same manner as other students served by the GCS. Homeless students are eligible to receive transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs. Homeless students will not be denied enrollment based on lack of proof of immunization and medical records requirements; residency requirements; missing birth certificates; school records or other documentation; guardianship issues; or uniform and dress code requirements. For

additional information contact GCS liaison for Homeless Students @ 419-468-3432 Paul Wheeler.

Likewise, a student expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or removal has not expired may be temporarily denied admission to GCS during the period of expulsion or removal or until the expiration of the period of expulsion or removal which the student would have received in the District had the student committed the offense while enrolled in the District. Prior to denying admission, however, the Superintendent shall offer the student an opportunity for a hearing to review the circumstances of the suspension or expulsion and any other factors the Superintendent determines to be relevant.

If a student has been recently discharged or released from the custody of the Department of Youth Services (DYS) and is seeking admittance or re-admittance into the District, the student will not be admitted until the following records, which are required to be released by DHS to the Superintendent, have been received:

1. an updated copy of the student's transcripts;
2. a report of the student's behavior while in DHS custody;
3. the student's current IEP, if one has been developed for the child; and

ATTENDANCE, TARDY and EARLY DISMISSAL POLICY

Please visit the Galion City Schools District web page for further information regarding attendance. The attendance policy can be found on the following link: [Attendance Policy](#)

Galion Intermediate School will notify the parent/guardian of an absent student within 2 hours of the start of the school day.

Court Appearances, Child to Work Day, Vacations

Court appearances, Child to Work Day, hunting, vacations, etc. come under the guidelines of vacation and must be **pre-approved to qualify as excused**.

Take your Child to Work Day must be pre-approved to qualify as an excused absence. It will be the student's responsibility to obtain permission slips from the office so the parents, prospective employer, and school can approve them in advance. All permissions slips must be pre-approved in order for the absence to be excused. Students that have missed more than five (5) days of school will not be considered for an excused absence. Galion City Schools believe and recognize that *Take your Child to Work Day* can be a valuable program for students to participate in; however, we also recognize that it is important for students to be in school. Most visitations can be done during the summer months so that the school day is not interrupted. Students may be required to give an oral or written report to demonstrate learning.

While we do not encourage vacations during the school year, if absences are at a minimum, and if **prior approval has been obtained**, absences may be excused for students to accompany their parents. Vacation days count towards the maximum number of days a student can be absent from school. Vacation days should not result in a child accumulating excessive absences. The make-up work policy applies to absences due to an approved vacation. It is the parent and student's responsibility to consult with the teacher(s) before and after the absences.

Steps to follow when your child is absent:

The parent or guardian should contact the school in the morning on the day of the absence by calling the school at 419-468-3676, option 1. The parent may also send a written note on the day of the absence. If the parent has not made contact with the school, the student must have a written note signed by the parent or guardian upon return. This note should include the

following information: child's name, date, day(s) of absence, and the reason for the absence. If we do not receive a phone call or written note, the absence is considered unexcused.

If no call or written excuse is received, we are required as part of the Child Abduction Law, to call the student's parent or guardian to confirm the student's absence. If no contact is made, other numbers listed on the blue emergency card will be used. It is vitally necessary that we have a contact phone number at all times. If your phone number is unlisted, please give that information to the office. An automated phone system will make the initial contact to verify absence. If we do not get a response, a postcard, concerning your child's absence, will be sent to your home address if we are unable to reach you.

Students Transferring Into District

Absence reports from previous schools will follow students and the number of days missed from previous schools will be applied. While we want the student to start anew with us, we are subject to state attendance guidelines. Refer to "Attendance" section.

Homebound Instruction

The school may arrange for individual instruction for students that are unable to attend school because of an accident, illness, behavior, disability, or some other reason. Such instruction may be arranged upon receipt of documentation of the student's condition from a physician. For more information, contact the building principal.

Tardy / Early Dismissal

Tardy is defined as any student arriving after the tardy bell rings at 8:30 a.m.

Early Dismissal is defined as any student leaving the building before 3:30 p.m.

Early dismissals for reasons such as private lessons or after school activities are considered unexcused.

Students arriving late for school must report to the school office.

STUDENT SAFETY

A variety of safety drills will be conducted through the school year so that students and staff are prepared in case of emergencies. Safety drills may include: fire drills, tornado drills, lock down procedures, evacuation drills.

All exterior doors, except for the front door, will be locked during the school day.

All visitors should report to the office.

Closing of School / School Delays

In the event of a school closing due to snow or other emergencies, an electronic call system will be used as the primary source of information related to school closings, delays, and district emergency information, which will be delivered to the phone number on file. School-related closings or delays can also be accessed on the district webpage, Facebook page, or Galion Middle School Facebook page. You may also tune into the following radio stations in the area to be notified of the closing: WQEL 92.7FM/WBCO 1540 AM Bucyrus; WMFD TV 68/WVNO 106.1 FM Mansfield; Please DO NOT call the principal, teachers, or the school. Parents and students are responsible for knowing about emergency closings and delays.

Evacuation Drills

Students may practice procedures for evacuation from building and campus.

Fire and Tornado Drills

We have fire and tornado drills for the safety of the children. If there should be a storm at dismissal time, children will be kept in the school until we feel it is safe to dismiss them. It would be helpful if you would discuss with your children where to go if you are not at home.

Safety Drills: Intruder & Lockdown Drills

We will practice safety drills during the school year. It would be helpful, if you would discuss this also with your child as practicing for these allow students and staff to prepare in case of a real emergency.

STUDENT SUPPORT & PARENT COMMUNICATION

Automated Calls

Communication will be sent out from the district and individual buildings using an automated call system. This information will include safety alerts, announcements and important reminders. Please be sure to keep your telephone number updated.

Backpacks

We encourage all students to carry a backpack or bag to and from school each day.

Facebook

Galion Intermediate School uses their Facebook page as a communication tool for parents.

Galion Schools Website

www.galionschools.org is a great resource for parents. Click on the Intermediate link to get specific information about our school.

Involvement and Support of Parents/Guardians

We believe that the behavior and success of students in school is the responsibility of the child, his/her parents, and the school. Parents and the school must work together to ensure student success. We want to work closely with you to eliminate potential behavior and academic problems. We expect that parents will cooperate with and support the school system. Inappropriate or threatening behavior by parents or other adults on the school premises may result in limited or no access to the building.

When your student is assigned homework, requires additional intervention, or needs some guidance with discipline, communication between school personnel and parents is essential to ensure student success. Encourage your child to share with you the experiences of the day. If problems or questions arise, please contact your child's teacher first. If you still have concerns, please contact the principal to set up a conference.

Parent/Teacher Conferences

Parent teacher conferences are scheduled in October/November each school year and again in the spring. The October/November conferences are teacher-led or student-led and will provide an opportunity for students, parents, and/or teachers to discuss student progress, study habits, successes, and concerns. Communication between the school and home will help your child get the most out of their education. Teachers and parents are encouraged to request conferences on an "as needed" basis throughout the school year. Please send a note to your child's teacher(s), or call the office to schedule a meeting time before or after school.

Fall conferences are encouraged for every student at the Intermediate. Spring Conferences are scheduled primarily for students that are struggling with academic and/or behavior issues, or to discuss other concerns.

We understand that daily concerns may arise. Please contact the office to schedule an appointment to meet with the teacher if concerns cannot be discussed through a note, phone call, or the agenda. Parents are not permitted to interrupt daily instruction or the start of the

school day. The office will attempt to help facilitate a time to meet with your child's teacher(s) when needed. Your cooperation is appreciated.

Canvas

Canvas is the learning management system (i.e., LMS) for the Galion City School District. This LMS is the platform teachers will use to communicate with parents/guardians regarding grades, assignments, updates, notifications, etc. Parents will be provided with login information at the beginning of the school year.

Community Counseling

Crawford County Community Counseling Services are offered as a convenience to families in Galion City Schools and are available during the school day at the Intermediate School. It is the parent's responsibility to make the initial referral and to make arrangements for intake. This service is offered as a convenience to families and not provided by the school.

School Social Worker

A school social worker provides his/her services as a convenience to families at Galion Intermediate School during the school day. An initial referral can be made by parents or school personnel. Parents will be contacted before the student speaks with the social worker.

GRADING SCALES AND PROCEDURES

Administrative guideline, philosophy, and practices for grading and reporting can be found on the GCSD website under [Board of Education Bylaws and Policies. Policy: 5421A](#)

Grade Cards/Progress Reports

Student Grade Cards are issued four times throughout the school year according to the board adopted grading scale.

Progress reports may be issued throughout the school year, typically for students receiving deficient grades. Parent access through Canvas gives parents daily information in grades 3-5 for continual monitoring of their child's progress.

Promotion / Placement Policy / Retention

A student will be **promoted** to demonstrate sufficient proficiency to permit him/her to move ahead in the educational program of the next grade. The students must also demonstrate the degree of social, emotional, and physical maturation necessary for a successful learning experience in the next grade.

A student may be **retained** if he / she is truant for 10% or more of the required school days, and/or has failed at least two courses of study unless the principal and the teachers of the failed subjects determine that the student is academically prepared to be promoted. Students may be **placed** when they have not met the criteria for promotion or retention.

Students performing below grade level, show deficits in building and/or statewide assessments, demonstrate Limited or No Progress in Standards Based Reporting, or have missed more than 12 days of unexcused absences, may be placed in the next grade level.

Individuals With Disabilities

The American's with Disabilities Act (ADA) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities.

The Galion School District provides a variety of Special Education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Act (IDEA).

A student can access Special Education services through the proper evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, the school wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact the principal.

Parents who believe their child may have a disability that substantially limits major life activities of their child should contact the principal to initiate the Response to Intervention Process.

The services of the school psychologist, nurse, speech/hearing therapist, physical and occupational therapists and elementary counselor may be available to students as requested.

Title I Support

Title I is a federally funded program that offers support to students and families in the areas of Reading/Language Arts and Math. Currently, all students receive these supports.

Parent Right to Know

The Federal Law, ESSA, requires that any school receiving federal Title I assistance must notify parents that they may request information regarding the professional qualifications of the student's classroom teacher, including the following:

- Whether the teacher has met the Ohio teacher licensing criteria for the grade level and subject areas in which the teacher provides your child instruction.
- Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements.
- The college degree major of the teacher and any other graduate degree or certification (such as National Board Certification).
- Whether your child is provided services by instructional paraprofessionals (sometimes called teachers' aides) and their qualifications.

You may request this information by contacting your school principal. Please give child's full name, parent's full name, and the name of your child's teacher.

The principal will then prepare and sent the teacher qualification information that you have requested.

Equal Education Opportunity

This district provides an equal educational opportunity for all students. Any person who believes that s/he has been discriminated against on the basis of race, color, disability, religion, gender or national origin while at school or at a school activity should immediately contact the Superintendent as the School District's Compliance Officer. Complaints will be investigated in accordance with the procedures described in Board policy. Any student making a complaint or participating in a school investigation will be protected from retaliation. The Compliance Officer can provide additional information concerning equal access to educational opportunities.

SCHOOL LUNCH & BREAKFAST PROGRAMS

All students will have the opportunity to be served lunch every day.

Students may only leave for lunch with a parent, guardian, or family member with prior approval. On occasion, students may leave with a staff member, but only with prior approval.

New applications must be turned in at the beginning of each school year for a child to continue receiving free or reduced lunch. You will be notified if you qualify for free or reduced meals at school. New applications may be completed at anytime. If your child qualifies for free lunch under the ODE's direct certification, you will receive a letter from the school. Please fill out the sharing form included in the notification letter and return it to your child's school for waiver of book fees. The goal of Galion City School District's breakfast and lunch program is to provide healthy meals to children during the school day. In order to serve healthy, high-quality meals to all children, we must make sure we are financially secure. You play a key role in this effort, and are responsible for purchases made by your child in our school cafeteria. That is why we will be implementing the following School Meal Charging Policy. If you have any questions, please call the Food Service Department at 419-468-6500 Ext 11016.

Point of Sale process is a computerized cafeteria system that will move students through the cafeteria line more quickly allowing more time to enjoy their lunch. This system allows for students eligible for free or reduced lunches to remain anonymous, as all students will be using a PIN number. Here is how the system will work:

- Students will be assigned a PIN number
- Parents/students will make deposits, which are recorded on the cafeteria system to the student's account.
- Each student will enter their PIN number when making cafeteria purchases and the cost of their purchase is deducted from their account.

HEALTH / MEDICAL

Bed Bugs

Bed bugs are a nuisance, but their bites are not known to spread disease. Even though it is unlikely for bed bugs to infest a school, the district will take precautions as necessary. Bed bug monitors are located in every classroom. This will assist in preventing these pests from spreading from one person to another. If a bed bug is found on your child, we will bag up all of your child's personal belongings during the school day including coat and backpack and locate them within their cubbie. You may also be asked to bring an extra change of clothing each day. A letter will be sent home and you will need to verify when your house was exterminated.

Head Lice

Pediculosis (head lice) – excluded until initial treatment with pediculicide shampoo. The school nurse, trained school personnel, or the city health department **MUST CHECK STUDENTS** before re-admittance to school. Parents or guardians are responsible for treatment of head lice so that students miss a minimum amount of school. Once students are treated, the parent will need to meet with the school nurse, or trained school personnel and provide evidence such as the empty shampoo bottle or box, to prove the child has been treated. The nurse will check to make sure there are no signs of nits and/or lice. Parents will be asked to retreat the child in 7-10 days. The school nurse will recheck the child to make sure there is not evidence of new eggs or lice. If there is evidence of new nits or lice, the child will be removed again and proof of treatment will be required again.

Health Concerns

If your child has any health concerns, please indicate concerns on the Emergency Medical Form. Please also indicate steps to be taken by school personnel. This includes medical conditions, medications, and allergies. Please update the school if this changes over the course of the school year.

Student Illness

No one with early symptoms of a possible communicable disease should attend school and should not return until they are symptom free and have maintained a normal temperature for a twenty-four hour period of time.

1. The following conditions require students to be excluded from school:
 - a. Suspicious skin eruptions, intense itching, and/or rashes of undetermined origin excused until rash subsides; if out longer than three days, a doctor's written statement is required.
 - b. Conjunctivitis (pink eye) – readmitted after treatment for twenty-four hours with antibiotic eye medication and/or no evidence of discharge in eye.
 - c. Fever (elevated oral temperature of 100.0 or above) readmitted after temperature is normal for a 24-hour period of time.
 - d. Vomiting or diarrhea – excluded until symptom free for a twenty-four hour period of time.
2. School administration may request written medical verification that students are free of suspected communicable disease in order to return to school.
3. Families of students with chronic health concerns should contact the school principal/and health nurse to develop ongoing health care plans.

Medication during the School Day

Under state law, the dispensation of prescribed medication to our students during the school day will be as follows: a **Medical Administration** form must be obtained from the school office. This form must be filled out completely by you and your physician and returned to the school before any prescribed medication will be administered. A **Parent Request for Administration of Over-the-Counter Medication** form must be filled out and turned in to the office with any over-the-counter medication including cough drops, before any type of medication is given at school. All medication must be age/weight appropriate unless otherwise prescribed by a doctor. Students are prohibited from having medication of any type, including epipens, on their person during the school day, with the exception of inhalers. **Students carrying inhalers** are also required to complete prescription medication forms in the office. All medication, prescription or nonprescription, must be turned in to the office in its original container immediately when a student enters the school building, along with proper forms. Students are not permitted to carry any medication on the bus or in their backpacks to or from school. It is the parent's responsibility to pick up remaining medication at the end of the year no later than one week after the closing of school for summer. Remaining medications will be discarded appropriately after that date. Inhalers must also be labeled with student's name. Medication administration procedures or doses cannot be changed without permission from the prescribing doctor. Any necessary changes can be faxed to the Board of Education at 419-468-4333.

BEHAVIOR, DISCIPLINE, POLICIES & PROCEDURES

PBIS - Positive Behavior Interventions & Supports

What is PBIS?

Positive Behavior Interventions and Supports is an evidence-based program that is implemented school wide to create a positive environment. PBIS uses proactive strategies for defining, teaching, and supporting appropriate student behaviors for improving school safety, student behavior, and academic achievement for all students.

Students are rewarded for their **Positive Behavior** by participating in weekly activities and other Positive Behavioral supports. Students may be excluded from field trips, field days, assemblies, behavior incentive activities and/or special classroom activities depending on the frequency and severity of the inappropriate behavior. Most of the time, this will include an extra recess, but may include some surprise activities such as a movie, popcorn, ice cream or a visit from a special guest. Students look forward to these incentives and enjoy their recognition. Students have the opportunity to earn tickets throughout the week that are placed in tubs for weekly drawings. The student's names are selected and prizes are given. We ask that our families support our Code of Conduct so our students understand that their family and school are working together to provide a safe and positive learning environment for all students.

Student Code of Conduct

The purpose and intent of this Code of Conduct is to maintain an appropriate educational climate. Violation of the Code of Conduct may result in verbal warning, written warning, referral to school counselor, parental contact or conference, recess detention, lunch detention, in-school detention, after school detention, community service, emergency removal, referral to law enforcement agencies, suspension (up to 10 days) or expulsion. The Superintendent is the only individual who may impose an expulsion.

In addition, this Code of Conduct includes:

1. Misconduct by a pupil that occurs off school district property but is connected to activities or incidents that have occurred on school district property; and
2. Misconduct by a pupil that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.

3. Unruly charges may be filed in juvenile court against a student who continually violates the Student Conduct Code.
4. Students are duly informed that their behavior may be monitored on school property, and/or school buses, and/or adjacent property by security cameras.

Misconduct for which Suspension (1-10) or Expulsion (1-80 days) may be imposed

Students are to remain at home during school hours while on suspension. The absence of a student on suspension is unexcused. The student may make up work missed and may earn credit (e.g. quizzes, tests, reports, etc.).

During a period of suspension/expulsion, a student is restricted from participating in or attending all school classes, programs, extracurricular activities (including practices, games or performances) and graduation ceremonies. A suspension officially begins at 12:01 a.m. on the first designated suspension day (unless emergency removal of the student occurs, in which case the suspension beginning is designated as the time of removal) and ends at 12:01 a.m. on the first day to follow the last day of the suspension period.

A suspension beginning during one week and extending into the following week restricts the student from attending or participating in any school-sponsored activities over the weekend.

TRANSPORTATION MANAGEMENT POLICIES

I. Eligibility a. It is the policy of the Galion City Schools to transport eligible students to and from school. Eligible students are defined as: Elementary, Middle School, High School, and public or private students who live outside the designated walking areas. b. Eligible students will be assigned to a bus and will follow the transportation rules and regulations under the school bus driver's authority and responsibility to ensure the safety and welfare of all school bus passengers.

Bus Rules

1. Children must have written communication from both parents in order for permission to be given for students to ride the bus home with another student. The principal must sign the bus pass, or both notes if the students are riding the bus. Bus passes are available in the office.
2. Any bus student that has permission to walk home must have a written permission slip from parent or guardian.

3. Students must follow all bus rules listed in the Student Code of Conduct/Transportation Pamphlet, including student behavior during any wait time or transfers for shuttle busses. Appropriate behavior is expected at all schools and problems will be communicated with the home school as is necessary. Violation of the bus rules could result in the following, based on the severity of the offense: Warning, Lunch Detention, Recess Detention, After School Detention, Bus Suspension

Riding the bus is a privilege and students must demonstrate behavior that is respectful and does not impede the safety of themselves or others on the bus.

Appropriate and safe student behaviors are expected at bus pick-up and drop-off areas. Please notify the school office when problems arise so we can try to assist you. We recommend that parents or adults supervise students at the bus stops when possible, and assist school personnel in ensuring safe behavior at the bus stops.

Each Elementary School has a school-wide discipline plan that further reinforces the student code of conduct and outlines building specific student expectations and disciplinary levels. It also provides an opportunity for recognizing students that demonstrate appropriate behaviors on a consistent basis. You will find this information in the NEW Bus Transportation Pamphlet.

Stops: Loading and Unloading

Students should never be permitted to “rush” the bus while loading or unloading.

Students should not be permitted to board the bus once it has departed the school loading zone. Drivers should inform students of this rule. Students should be notified during the first week of school that they are to be at their designated stop at least five minutes prior to the schedule bus stop time.

Drivers should never leave a stop before their scheduled departure time. If the driver arrives at a particular stop earlier than scheduled, they are to wait until the scheduled departure time to leave. Drivers are to set their watches each morning by the atomic clock in the transportation office.

Drivers are to load and unload on school grounds whenever possible. If not on school grounds, the bus should be on the school side of the road and facing the legal direction. Warning lights are not to be used while at the curb in front of the school.

DO NOT signal another motorist into the flow of traffic unless you cannot avoid doing so. You may inadvertently cause an accident. The other driver may misinterpret your signal and do something you may not have intended him to do.

Never drive your bus without your driver's license readily available.

Make a complete stop at all stop signs and be prepared to yield to another driver in the event that they do not stop.

The service (front) door should be closed at all times when the bus is in motion.

Students should never be permitted to sit in the driver's seat or operate the service door.

Drivers shall be on the bus during loading and unloading. If a driver must leave the bus, he/she must set the brake, switch the ignition off and take the keys with them.

Student Code of Conduct

The goal of the Code of Conduct is to create conditions that foster student self-discipline in a warm, supportive school climate that is conducive to maximum learning for all students. The Code of Conduct is a general guide for behavior, not a mechanism for rigid control. The individual personalities of students or extenuating circumstances will be considered before corrective measures are prescribed.

Notice: The use of video surveillance equipment may be used in the investigation of violations of the Code of Conduct. Students may receive discipline as a result of what is recorded.

Admission and Placement Grievance Procedure

Parents and students have the right to request a review of the admission, placement procedure or other procedural matters. If a concern involving possible discrimination based on sex, race, color, national origin, or disability exists, a parent and/or student may contact the Galion City School District Board of Education.

Bus Rules and Regulations

It is our privilege and pleasure to furnish eligible* students with the safest transportation possible as they travel between home and school and on school-related trips. In order to protect all students riding Galion buses, safety precautions are a must! Your help is needed because safety is everyone's responsibility!

All students are to understand that the bus driver is in charge of the bus at all times. Any student who repeatedly violates the safety precautions and/or bus rules may be denied the privilege of riding the bus and is subject to other disciplinary action to be determined by the Transportation Supervisor. To that end, the following conduct rules are called to your attention:

HARASSMENT/BULLYING

The school believes that every individual deserves to be able to come to school without fear of demeaning remarks or actions. The bullying and/or harassment of other students or members of staff, or any other individual is not permitted. This includes any speech or action that creates a hostile, intimidating, or offensive learning environment. Conduct constituting harassment may take different forms including, but not limited to, the following:

Sexual Harassment

2. Any student who believes that he/she is the victim of any of the above actions or has observed such actions taken by another student, staff member, or other person associated with the District should take the following steps immediately:

- a. If the alleged harasser is a student, staff member, or other person associated with the District other than the student's Principal, the affected student should, as soon as possible after the incident, contact his/her Principal.
- b. If the alleged harasser is the student's Principal, the affected student should, as soon as possible after the incident, contact the Assistant Superintendent (title of designated administrator).

The student may submit a report in writing, by telephone, or in person. The reporting student should provide the name of the person(s) whom he/she believes to be responsible for the harassment and the nature of the harassing incident(s).

The report shall be investigated in a timely and confidential manner. While a charge is under investigation, no information is to be released to anyone who is not involved with the investigation, except as may be required by law or in the context of a legal or administrative proceeding. No one involved will discuss the subject outside of the investigation. If the investigation reveals that the complaint is valid, then appropriate remedial and/or disciplinary action will be taken promptly to prevent the continuance of the harassment or its recurrence.

Given the nature of harassing behavior, the school recognizes that false accusations can have serious effects on innocent individuals. Therefore, all students are expected to act responsibly, honestly, and with the utmost candor whenever they present harassment allegations or charges. Some forms of sexual harassment of a student by another student may be considered a form of child abuse, which will require that the student abuser be reported to the proper authorities. Hazing by any group, club, or team is not permitted. This includes any form of initiation that causes or creates a risk of causing mental or physical harm, no matter how willing the participant may be.

Under no circumstances will the school threaten or retaliate against one who raises or files a harassment complaint. Cyberbullying is included separately.

Families are requested to support students through daily monitoring of homework and assignments, attendance at conferences, supporting school wide behavior plans, and be regularly involved in school activities in order to improve student achievement.

Students will take responsibility for their own learning, take responsibility for homework and assignments and follow the school behavior plan. School personnel will communicate with families, provide a high quality curriculum and notify families of concerns that affect student achievement.

Electronic Phone System

An electronic call system will be used as the primary source of information related to school closings, delays and district emergency information. Please provide updated information at the office when changes occur.

A search may also be conducted to protect the safety of others. All searches may be conducted with or without a student's consent.

Students are provided cubbies, desks, and other equipment in which to store materials. It should be clearly understood that this equipment is the property of the school and may be searched at any time there is reasonable suspicion that a student has violated the law or school rules. Locks are to prevent theft, not to prevent searches.

Anything that is found in the course of a search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The school reserves the right not to return items, which have been confiscated.

Bringing Things to School

For obvious reasons, the school does not assume responsibility for items brought to school. The following procedure will prove helpful to parents in this area:

We strongly encourage you **not** to allow your child to bring toys and electronic items to school. No electronic devices are to be brought to school under any circumstances. Trading cards are not to be brought to school and will be kept in the office for a parent to pick up.

Animals are only permitted in the school when brought by the parent, and taken home immediately by the parent when the "showing" period is over. Animals are not permitted on the school bus. Prior approval by the building principal is required to assure the safety of all students.

Knives, lasers, matches, firecrackers, ammunition, squirt guns, toy weapons, mace and/or pepper gas, and adult magazines or books are strictly forbidden and may be disposed of if found.

Disciplinary action may be taken with any of the above infractions. The school does not accept responsibility for lost or stolen items.

Telephone and Cell Phone Usage

Students for emergency calls will use the office and classroom telephones only. The office will not call students to the telephone unless it is an emergency. Please be considerate in this matter.

Dangerous Strangers

To help promote general child safety in our community, parents are asked to warn their children about the dangers of talking to strangers. Parents are encouraged to notify the Galion Police Department of suspicious strangers loitering around the bus stops, area streets and crosswalks, and around the school. When labeling backpacks and clothing, please put names on the inside. This will help to eliminate strangers being able to call out a student's name.

Advertising Outside Activities

Students or community members may not post announcements for outside activities without receiving prior approval by the Superintendent or building principal.

Solicitation

All projects (4-H, Rainbow Girls, Girls and Boy Scouts, Baseball, etc.) where items are being sold in our building must be cleared through the principal. All fliers, etc. must be cleared through the Office of the Superintendent.

Delivering Items to School

To keep classroom disruption to a minimum, please bring items to be delivered; to the office. Staff will notify teachers that something has been brought to the office, or it will be delivered to the classroom at designated times throughout the day. Parents are not permitted to go to classrooms during the school day in order to keep interruption a minimum. Your cooperation is appreciated.

Birthday or Other Parties

Students may bring treats for their class in celebration of a birthday, however classroom birthday parties are not allowed at school. School personnel will take any treats delivered after the tardy bell rings, to the classroom. Parents need to notify the teacher of such occasions in advance.

Invitations to private birthday parties **MAY NOT** be distributed at school unless the entire class is invited. No class lists/addresses will be given to parents. This rule is enforced to protect the feelings of all students.

Please refrain from delivering balloons or flowers to the school. Students are not permitted to carry such items on the bus.

Classroom Holiday Parties

Students may be asked to bring in treats for holiday parties and other celebrations. Teachers will ask for volunteers as needed. The number of treats will be limited as well as the number of parties. School personnel will deliver items dropped off after the tardy bell rings.

Field Trips

We believe field trips are an important part of the educational programming at Galion City Schools as finances permit. All students will be encouraged to participate. Permission slips and current emergency medical information must be provided in Final Forms for students to participate. **All current and past school fees must be paid in order for students to participate.** Students may also be excluded from field trips, field days, assemblies, behavior incentive activities and/or special classroom activities depending on the frequency and severity of the inappropriate behavior.

The safety of all students will be placed in high regard. If your child poses any such threat to themselves or to the safety of other children, they may be excluded from participation in field trips. As a parent, you may be encouraged to chaperone your child in order for them to participate. You will be notified if your child will not be permitted to participate in any field trip.

The following guidelines have been developed concerning elementary field trips in Galion City Schools:

Field trips provide an opportunity for students to develop socialization skills by spending a day together at a public facility other than our school.

Field trips are considered an extension to the school day so we limit parent participation to the number of chaperones required by the facility. If you are interested in being a chaperone, please let the classroom teacher know. A lottery system will be used if necessary.

While we recognize every parent would like the opportunity to join us for the trip, we can only take the number of chaperones designated by the facility. We ask that you do not plan on attending on your own as this will deter from the school field trip experience. We have also learned from our past experiences with field trips and have found that if a large number of parents attend, then some children whose parents cannot attend feel left out.

Siblings are not permitted to accompany chaperones on field trips due to liability issues.

Finally, students will be asked to bring a packed lunch for the day and to wear their most comfortable tennis shoes or walking shoes.

Library/Media Center

The Media Center is available to all students on a weekly basis. Books and reading are the foundation to student success. Children that learn to read, do better in school across all areas of the curriculum. Students will be encouraged to check out books to take home on a weekly basis. The following rules have been established for the elementary school media center.

1. Students may check out or renew books up to the designated limit.
2. Books may be kept out for only two weeks, unless they are renewed.
3. Students will receive a notice of any book that is overdue. When this book is not returned for a period of one month after the date due, there will be a charge made for the replacement of the book.
4. Students may not check out materials in their teacher's name without consent.
5. All students are expected to act in a manner suitable to the library. They should be quiet and mannerly.
6. They should also come prepared for the purpose for which they came, whether it is for a resource or getting a book.
7. Students may be asked to leave if they do not make their selections in a timely manner.
8. Students are asked to take proper care of their library books. Please notify the librarian if pages are torn or the book is damaged. This will allow the school to repair the book before the damage becomes too great. Students may be charged for damaged books or removed barcodes.

Lost and Found

Each year, we give to charitable organizations any unclaimed items. Please mark each child's belongings with his/her name. Throughout the year, please check the Lost and Found cubbie located in the cafeteria.

Media Coverage/Student Photographs

At various times throughout the school day and year, students have their pictures taken by newspapers and other external media and for the district website. If you do not wish for your child's picture to be used, please indicate in Final Forms. Video cameras are welcome at school for programs, but not in classrooms. No monitor or plug-in cameras are permitted in the classroom. Students will have the opportunity for school photos two times per year. Video taping will not occur in the classroom except for instructional purposes only.

Recess

We believe it is good, healthy exercise to go outdoors after several hours of sitting in the classroom. We ask your cooperation in providing proper clothing for your children. Typically, students will go outside for recess unless it is raining, snowing, or temperatures range below approximately 25-30 degrees Fahrenheit with a wind chill. Many factors are taken into consideration when determining if recess will be outside. Please use the above information as a guideline in determining how to dress your child for the outdoors.

Any student, who repeatedly abuses playground rules in regards to use of swing, slide, etc., may lose the privilege of using that particular piece of playground equipment for a specific period of time. Organized sports that continuously result in play that is too physical will be eliminated from the playground activities.

Special Services / Fine Arts / Physical Education

Our curriculum is enhanced by the use of specialists in art, music, STEM, and physical education.

Students are required to participate in all art, music, STEM, and PE classes unless a medical excuse from a physician has been provided. Tennis shoes should be worn on PE days.

Students are encouraged to participate in all extra programming for art, music, STEM, and PE.
